Highlights of Southern Africa

Day 1: Savanna Private Game Reserve, Greater Kruger National Park

On arrival at your airport in the Kruger region, you are met and transferred to the lodge where you will enjoy time to relax and have lunch. Your accommodation is at one of our favourite lodges; Savanna Private Game Reserve, located within the wildlife prolific Sabi Sand Game Reserve.

Sabi Sand Game Reserve offers some of the best wildlife viewing in southern Africa. Teeming with wildlife, including the 'big five' and various species of predatory cats, Sabi Sands is home to world-class game lodges which offer an unbelievable safari experience. Intersected by the Sabi and Sand rivers, the reserve offers an unparalleled variety of species.

You join your first game drive in the late afternoon. As a private game reserve, within the Kruger National Park, Savanna Private Game Reserve, offers the chance to see the 'big five' and more. Your open sided game vehicle is guided by your ranger, whilst a 'spotter' tracks animals from the front of the vehicle. This gives guests the best opportunity of viewing wildlife up-close. Upon your return to the lodge, you enjoy dinner at the open air boma or indoor dining room. **Savanna Private Game Reserve - luxury suite (FI).**

Savanna Private Game Reserve

Savanna Private Game Reserve's 10,000 hectare concession in the Sabi Sand Game Reserve is open to the entire Kruger National Park, making 'Big five' sightings are so frequent that it is not unusual to see lion, leopard, elephant, buffalo and rhino in a single game drive. Savanna places a high value on its superior level of tracking. The lodge's rangers are experts in a variety of wildlife-oriented areas such as photography and conservation.

Savanna has nine beautifully appointed suites. Seven of the nine suites offer an "Out of Africa" style ambience, with canvas roofs and draped netting inner ceilings. The spacious bathrooms offer both indoor and outdoor showers and a claw foot bath. Commencing May 2017, each suite at Savanna Private Game Reserve will feature a private plunge pool with views to the surrounding landscaped gardens or waterhole. The communal areas at Savanna are stunning with African inspired decor and casual, comfy furnishings. A pool, surrounded by lounge chairs, attracts the local cheeky vervet monkeys and guests on a hot day. Food is a highlight with fine dining by candlelight, or barbeques African style in the boma around the campfire.

A safari at Savanna Private Game Reserve is a communal affair. Guests are greeted by staff for pre-dinner drinks and seated at a long decorated table for meals, creating an ambience from the safaris of days-gone by. Savanna's managers are icons in the safaris business in the Kruger region. Their experience inspires all guests, which makes a safari at Savanna the perfect safari. Abundant wildlife viewing, incredibly knowledgeable staff, and a few surprises, such as bush dinners and lanterns lit cocktails, make Savanna Private Game Reserve one the best overall safari lodges in South Africa.

Days 2-3: Savanna Private Game Reserve, Greater Kruger National Park

The fresh morning air in your face as you travel on an open 4WD with the prospect of seeing the 'big five' (lion, leopard, buffalo, rhino, elephant) is an exhilarating experience. Animals are often most active at this time of day and spotting wildlife is guaranteed. Experienced rangers and trackers will share their knowledge of the African bush with you as you enjoy a range of animal sightings.
