## Day 1: Victoria Falls

On arrival at Victoria Falls airport you are met and transferred by shuttle service to your lodge, which is well positioned to enjoy easy access to both Victoria Falls National Park and town centre.

In the late afternoon you head to the Zambezi River where you board a sunset cruise. Enjoy snacks and drinks while you watch out for hippo, Nile crocodile and elephant. As you drift down the river, watching the incredible orange sunset, you really do feel that you are in Africa. The sunsets here are stunning, with the red soil of nearby Namibia providing deep orange skies. **The Kingdom Hotel - standard room.**

## The Kingdom Hotel

The Kingdom is a modern-day tribute to the ancient and alluring Africa. Great billowing domes, pillars and bridges built on a man-made lake, mark a style that belies the modern facilities within. The decor is full of character and forms part of the hotel's persona. There are 294 rooms (70 with bunk beds), three restaurants, four swimming pools and four bars. Located only moments from the Victoria Falls National Park entrance, this popular hotel is perfect for families and those wanting convenience and good value.

## Day 2: Victoria Falls

After breakfast you join an informative guided tour of Victoria Falls on the Zimbabwe side. Accompanied through the rainforest by a qualified guide you hear a brief history of the falls as well as information on the flora and fauna and other points of interest.

Victoria Falls represents one of the most spectacular natural wonders of the world. The local people call it 'Mosi-oa-Tunya'- the smoke that thunders. There is a magic about the Falls manifested in the towering column of spray when the river is high. Victoria Falls is 1,708 metres wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The Falls and the surrounding area has been declared a national park and a World Heritage Site.

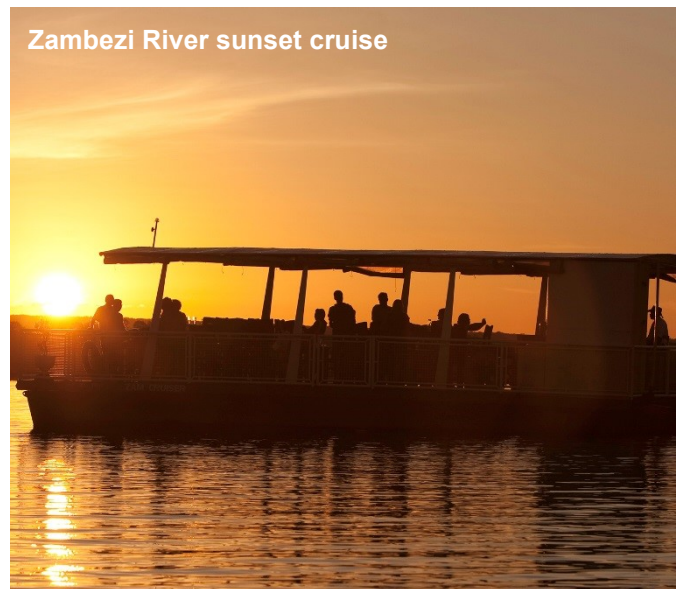

After the tour you return to your lodge for an afternoon at leisure. Relax by the pool, head into town for some souvenir shopping, or join an optional excursion (additional cost). Options include scenic helicopter flights over the Falls, game drives in nearby national parks and village visits. **The Kingdom Hotel - standard room (B).**
