## Garden Route Essentials - private tour

### Day 1: Plettenberg Bay

Departing from Port Elizabeth around midday, we travel along the Garden Route towards the Tsitsikamma mountains. The Garden Route derives its name from the ecologically diverse vegetation present in the area, which lies between the Indian Ocean and the Tsitsikamma Mountains. Tsitsikamma is the ancient San name meaning 'place of abundant water', but is today known as one of South Africa's most famous national parks. We stop to cross the suspension bridge at Storms River mouth, where the Storms River meets the Indian Ocean. In the afternoon we continue to our overnight stop at Dunes Leisure Resort, located near the undulating sand dunes of Keurboomstrand. **Dunes Leisure Resort or similar – standard room.**

### The Dunes Leisure Resort

Located in the heart of the Garden Route, The Dunes is a deluxe hotel complex within walking distance from the unspoiled Keurbooms Beach and just minutes from the popular resort town of Plettenberg Bay. Spacious and elegantly appointed, the hotel rooms are decorated with sophisticated stylishness. Facilities in all the 46 rooms include air conditioning, bar fridge, satellite TV and tea and coffee making facilities with king or twin-size beds and en suite bathrooms. Self-catering duplex units and self-catering forest and beach villas, nestled within the beautifully landscaped gardens of the greater resort, are also available. Facilities at this resort-style property include a restaurant, bar, swimming pools and shop. Nearby activities include mountain bike trails, bush and nature walks, fishing, and golf facilities.

### Day 2: Oudtshoorn

After a hearty breakfast, we depart for Oudtshoorn in the Klein Karoo, via the resort town of Knysna. This lovely town is located on the Knysna lagoon making it a great place to enjoy the harbour. This morning's excursion gives us the opportunity to photograph the Knysna Lagoon and the Knysna Heads. Travelling inland to the ostrich capital of the world, Oudtshoorn, we drive over the Outeniqua Pass. We arrive in time for lunch (own expense) at an ostrich farm on the outskirts of Oudtshoorn.

A tour of the farm introduces you to these strange and exotic birds as well as the ostrich industry, which accounted for much of South Africa's wealth in the Victorian era (tour at own expense). We then travel to the Cango Valley where we discover the spectacular subterranean world of the Cango Caves. These 20 million year old caves feature an impressive display of stalagmites and stalactites. Take a guided tour (own expense) before continuing to the rural capital of the Karoo, Oudtshoorn, for the night. **Protea Hotel by Marriott Riempië Estate or similar – standard room (B).**

### Protea Hotel by Marriott Riempië Estate

Protea Hotel by Marriott Riempië Estate is situated on a private landscaped estate in the popular rural town of Oudtshoorn. This sprawling hotel offers comfortable accommodation in 40 tastefully decorated, thatched roof chalets and rondavels, with all the modern additions expected in a Protea Hotel. The thatch roof communal areas surround a swimming pool and the main buildings feature a bar and an excellent restaurant that serves the best in country fare. A plethora of activities such as golf, tennis, squash, gym, and lawn bowling amenities are all nearby. Attention to detail and personal service will make your stay at Riempië Estate an unforgettable experience.

### Day 3: Cape Town via the Cape Winelands

After breakfast our journey takes us westwards, along Route 62, via the Cape Winelands to Cape Town. Route 62 is an iconic route with ever-changing landscapes and is possibly the world's longest wine route.

## Knysna waterfront

We enjoy lunch en route (own expense), before visiting a wine estate for a cheese and wine pairing followed by a guided cellar tour in the Robertson wine valley (own expense). In the late afternoon we arrive in South Africa's 'mother city', Cape Town, where your Garden Route tour ends. **(B).**
