Bakwena Lodge - 4 day package

Day 1: Chobe National Park

At Kasane airport complete passport control and customs. Proceed to the arrivals hall where you are greeted and transferred to your lodge, which is less than 15 minutes' drive away. At the lodge you will discuss the range of activities. These are usually safaris in the style of the region; boat safaris, which allow you to view animals on the riverbanks of the Chobe River and 4WD game drives within the Chobe National Park. Village visits and bicycle tours in the Kasane region are also complimentary at Bakwena Lodge. This afternoon you set off on your first activity.

Chobe National Park has over 100,000 elephant, one of the biggest concentrations in Africa. It is also notable for huge herds of buffalo and zebras, lechwe, Chobe bushbuck and puku antelope. Where there are buffalo, lions are never far away and there is a good chance of seeing large prides here who hunt around dusk. Hyena and leopard also hunt at night, while cheetahs are diurnal predators. Chobe is rich in bird life with the Pel's fishing owl a favourite, along with the strangely beaked African skimmer and African fish eagles. After the activity you return to the lodge for a starlit dinner. **Bakwena Lodge - standard room (FI).**

Bakwena Lodge

Bakwena Lodge is an eco-retreat on the banks of the Chobe River. The name 'Bakwena' derives from the local Setswana language meaning 'people of the crocodile'. The lodge embraces the surrounding culture and country as inspiration for its style and hospitality. The lodge comprises of ten rondavel-style chalets, two of which are two-bedroom family units, a romantic honeymoon suite and five treetop chalets, built three metres above the ground on stilts. Each chalet offers a cool place to relax with a raised deck and day bed which overlooks the river. Each river chalet has an interior bathroom opening onto an outside garden with an outside shower. The main common areas include a lounge, restaurant and the Rain Tree bar, which overlooks the river. There's also an inviting swimming pool and a raised deck. Activities include your choice of game drives or river cruises in Chobe National Park, village visits or bike rides in the Kasane region.

Days 2 - 3: Chobe National Park

During your stay at Bakwena enjoy two game activities per night's stay, which typically includes a river safari on the Chobe River and a 4WD game drive in Chobe National Park. A river cruise offers unique game viewing and bird sightings on the river and riverbank, whereas a game drive includes up-close sightings in Botswana's premier game park from the comfort of an open sided safari vehicle. Village visits allow travellers the chance to meet the people who make this region so popular. **Bakwena Lodge - standard room (FI).**
