Masai Mara Fly-in: Kichwa Tembo Camp

Day 1: Nairobi – Masai Mara private concession

Guests will be collected early from either Nairobi's Jomo Kenyatta International Airport, or a city hotel, and transferred to Wilson Airport for a scheduled flight to Masai Mara. The morning flight departs Nairobi at 10:30 am and arrives at approximately at 11:20 am. On arrival you will be met and transferred to the camp. Following lunch there will be an afternoon game drive returning to the camp at dusk. *Those arriving on the afternoon flight will be transferred to the camp in time to freshen-up before dinner.* **Kichwa Tembo Camp - classic safari tent (LD - lunch is dependent on flight arrival time).**

Kichwa Tembo Camp

Positioned along the Sabaringo River on the edge of the Olololo escarpment, Kichwa Tembo Tented Camp fronts the vast lands of the Masai Mara. Set on a private concession in the west of the Mara, the camp is leased from its traditional owners, the Maasai. The camp offers total seclusion amidst abundant wildlife year-round and is forefront during the great migration. Twelve classic tents, 20 superior tents and eight superior-view tents are laid out on immaculate grounds, with leisurely groups of warthog feeding right outside your tent. The simple, yet timeless interiors reveal a contemporary style, which imbue romance. The secluded private verandahs offer a shady retreat to while away time spent in-between twice daily 4WD game drives within the concession. Communal areas are relaxing with a massage tent, a craft shop, and a rim-flow swimming pool.

Day 2: Masai Mara private concession

Two game drives are offered per full day which depart from the camp at sunrise, or in the late morning and again in the afternoon. Alternatively, guests can enjoy extended game drives with a picnic lunch, depending on seasonal conditions and in consultation with your guide. Game drives are in the private concession affording guests less tourist traffic and unique sightings. Optional activities, such as a traditional Maasai boma, bush walks, night drives and hot air ballooning are available (own expense).

The Mara was designated a reserve in 1961 to allow its most famous inhabitants; the Maasai people, to farm cattle within its boundaries alongside untamed wildlife. The reserve borders Tanzania and the two countries share the vast Serengeti plains, with wildlife free to roam between Kenya and Tanzania in search of food. The Mara-Serengeti ecosystem is famous for the annual migration of over one million wildebeest and zebra between July to October. Thousands die in dramatic river crossings, with predators and crocodiles the winners. In October the animals return again to Tanzania. **Kichwa Tembo Camp - classic safari tent (BLD).**

Day 3: Masai Mara private concession

Depart for an early morning game drive, catching the animals before the heat of the day when they are often most active. After breakfast enjoy the remainder of your morning at leisure, followed by lunch and an afternoon game drive. Return to the lodge for dinner in the exclusive dining tent or outdoors under the African night sky. **Kichwa Tembo Camp - classic safari tent (BLD).**

Day 4: Masai Mara – Nairobi

Following an early morning game drive and breakfast you will be transferred to the nearest airstrip for a scheduled flight to Nairobi. The flight departs the Mara at 11:45 am and arrives into Nairobi Wilson Airport at approximately 12:45 pm. Upon arrival, guests will be met and transferred to a Nairobi hotel, or JKI Airport where the safari ends. **(B).**
