The Falls Experience - Stanley & Livingstone Boutique Hotel

Day 1: Victoria Falls

On arrival at Victoria Falls airport you are met and transferred by shuttle service to your lodge, which is located within a private game reserve and only a short drive to Victoria Falls town centre.

In the late afternoon you transfer to the river and board a sunset dinner cruise on the Zambezi River. Sip on a refreshing cocktail while you watch for hippo, Nile crocodile and elephant, before enjoying a freshly prepared three-course meal. As you drift down the river, watching the incredible orange sunset, you really do feel that you are in Africa. The sunsets here are stunning, with the red soil of nearby Namibia providing deep orange skies. **Stanley & Livingstone Boutique Hotel - standard suite (D).**

Stanley & Livingstone Boutique Hotel

Managed by the 'More' family, who manage several well known and respected game lodges in southern Africa, the recently renovated Stanley & Livingstone is one of our favourite hotels in Victoria Falls. Located on its own private reserve, the communal areas are open and inviting, with a sizeable terrace and landscaped garden affording views to the reserve's waterhole, which attracts a constant flow of wildlife. Meals are a well-priced highlight and twice daily shuttles, upon request, into town enable guests to also dine in town. A swimming pool, bar and fascinating historic collectables offer plenty of distractions.

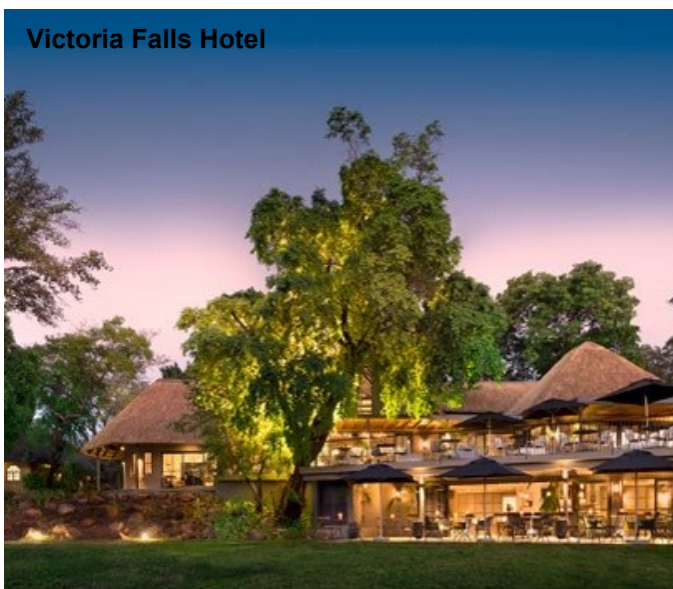

The hotel's 16 suites capture the charm of a bygone era with all the amenities and facilities of a modern luxury lodge. Their fresh design is an easy-going approach to colonial style, inviting you to make yourself at home. Each has a canopied king-size bed, minibar, slipper bath, walk-in shower, TV lounge and terrace, for morning coffees and private dinners. Located only a few minutes' drive outside of Victoria Falls town, this boutique hotel offers more than a base to enjoy the region due to its relaxing ambience, five star service and wildlife encounters. The hotel provides discerning travellers with a well-priced luxury option. Combination deals with other 'More' managed properties in the Kruger region, Madikwe Game Reserve and Cape Town are available on request.

Day 2: Victoria Falls

After breakfast you join an informative guided tour of Victoria Falls on the Zimbabwe side. Accompanied through the rainforest by a qualified guide you hear a brief history of the falls as well as information on the flora and fauna and other points of interest.

Victoria Falls represents one of the most spectacular natural wonders of the world. The local people call it 'Mosi-oa-Tunya'- the smoke that thunders. There is a magic about the Falls manifested in the towering column of spray when the river is high. Victoria Falls is 1,708 metres wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The Falls and the surrounding area has been declared a national park and a World Heritage Site.

You return to the lodge around 11:00am. There is time in the afternoon to relax or enjoy an optional excursion. This evening at 7.00 pm you are transferred to The Boma Restaurant for dinner. This barbeque style restaurant is a popular award-winning restaurant which includes a selection of traditional foods and a performance by the local Ndebele people, whose song and dance tell the folklore of the region during a colourful and energetic show. **Stanley & Livingstone Boutique Hotel - standard suite (BD).**

Day 3: Victoria Falls

Today is at leisure to relax or enjoy an optional excursion (additional cost). Victoria Falls has become a mecca for travellers who enjoy the great outdoors. Extreme adventurers can enjoy bungee jumping, zip lining, white water rafting and a swing over an adjacent valley. Culture buffs can join informative visits to a nearby township, rural village or enjoy lunch with a local family.

Sightseeing options include scenic helicopter and micro light flights, which offer incredible views of the Falls. Wildlife can be viewed in 'big five' private game reserves, in the nearby Zambezi National Park or in Botswana's famous Chobe National Park on a full day excursion. **Stanley & Livingstone Boutique Hotel - standard suite (B).**

Day 4: Victoria Falls airport

After breakfast and check-out you are transferred to Victoria Falls airport for your onward arrangements. **(B).**
