The Falls Experience - Ilala Lodge

Day 1: Victoria Falls

On arrival at Victoria Falls airport you are met and transferred by shuttle service to your lodge, which is located within easy walking distance of Victoria National Park and town centre.

In the late afternoon you board a sunset dinner cruise on the Zambezi River. Sip on a refreshing cocktail while you watch for hippo, Nile crocodile and elephant, before enjoying a freshly prepared three-course meal. As you drift down the river, watching the incredible orange sunset, you really do feel that you are in Africa. The sunsets here are stunning, with the red soil of nearby Namibia providing deep orange skies. **Ilala Lodge - standard room (D).**

Ilala Lodge

One of the most popular properties in Victoria, Ilala Lodge is ideally situated on the Zimbabwean side of the Zambezi River, where it is the closest hotel to the Falls themselves and within walking distance of Victoria Falls town centre. This family-run lodge features colonial décor and landscaped gardens providing an aura of days gone by. Wild animals, such as warthog and impala, often graze on the hotel lawns and restaurant diners can see and hear the majestic roar of 'the smoke that thunders' in the background. Guests can enjoy a la carte cuisine at the lodge's The Palm Restaurant, featuring tranquil views and a wide-open terrace. The pool and pool bar offer respite from the region's humidity and the thatched roof main buildings offer pleasant areas to relax.

Day 2: Victoria Falls

After breakfast you join an informative guided tour of Victoria Falls on the Zimbabwe side. Accompanied through the rainforest by a qualified guide you hear a brief history of the falls as well as information on the flora and fauna and other points of interest.

Victoria Falls represents one of the most spectacular natural wonders of the world. The local people call it 'Mosi-oa-Tunya' - the smoke that thunders. There is a magic about the Falls manifested in the towering column of spray when the river is high. Victoria Falls is 1,708 metres wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The Falls and the surrounding area has been declared a national park and a World Heritage Site.

You return to the lodge around 11:00am. There is time in the afternoon to relax or enjoy an optional excursion. This evening at 7.00 pm you are transferred to The Boma Restaurant for dinner. This barbeque style restaurant is a popular award-winning restaurant which includes a selection of traditional foods and a performance by the local Ndebele people, whose song and dance tell the folklore of the region during a colourful and energetic show. **Ilala Lodge - standard room (BD).**

Day 3: Victoria Falls

Today is at leisure to relax or enjoy an optional excursion (additional cost). Victoria Falls has become a mecca for travellers who enjoy the great outdoors. Extreme adventurers can enjoy bungee jumping, zip lining, white water rafting and a swing over an adjacent valley. Culture buffs can join informative visits to a nearby township, rural village or enjoy lunch with a local family.
