The Falls Classic - The Kingdom Hotel

Day 1: Victoria Falls

On arrival at Victoria Falls airport you are met and transferred by shuttle service to your lodge, which is located within easy walking distance to Victoria Falls National Park and town centre.

In the late afternoon you board a sunset dinner cruise on the Zambezi River. Sip on a refreshing cocktail while you watch for hippo, Nile crocodile and elephant, before enjoying a freshly prepared three-course meal. As you drift down the river, watching the incredible orange sunset, you really do feel that you are in Africa. The sunsets here are stunning, with the red soil of nearby Namibia providing deep orange skies. **The Kingdom Hotel - standard room (D).**

The Kingdom Hotel

The Kingdom is a modern-day tribute to the ancient and alluring Africa. Great billowing domes, pillars and bridges built on a man-made lake, mark a style that belies the modern facilities within. The decor is full of character and forms part of the hotel's persona. This hotel is the closest hotel to the mighty Victoria Falls and is the perfect family destination. There are 294 rooms (70 with bunk beds), three restaurants, four swimming pools and four bars. Located only a few minutes' walk from Victoria Falls and the national park entrance, this popular hotel is perfect for travellers wanting convenience and good value.

Day 2: Victoria Falls

After breakfast you join an informative guided tour of Victoria Falls on the Zimbabwe side. Accompanied through the rainforest by a qualified guide you hear a brief history of the falls as well as information on the flora and fauna and other points of interest.

Victoria Falls represents one of the most spectacular natural wonders of the world. The local people call it 'Mosi-oa-Tunya' - the smoke that thunders. There is a magic about the Falls manifested in the towering column of spray when the river is high. Victoria Falls is 1,708 metres wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The Falls and the surrounding area has been declared a national park and a World Heritage Site.

You return to the lodge around 11:00am. Enjoy some time at leisure before you are collected for your scenic helicopter flight above the Falls.

Enjoy a birds-eye view of the Zambezi River as it drops 108 metres into a series of winding, cavernous gorges which flow-on to form a natural border between Zambia and Zimbabwe. Look out for pods of hippo and other wildlife from above. (An alternate activity may be substituted if preferred - a price variation may apply).

Dinner follows the flow of your day, with a three-course meal served atop a cliff-face at the Lookout Café. This newly-built restaurant overlooks the scenic Batoka Gorge. The gorge, formed over centuries by the Zambezi River, is almost as impressive as the Falls themselves. Your dining spot affords views across a network of gorges. **The Kingdom Hotel - standard room (BD).**

Day 3: Victoria Falls

Enjoy an early breakfast before you are collected for your excursion over the border in Botswana. Join a full day tour of Chobe National Park, Botswana's premier wildlife region. Chobe National Park is known for its 100,000 strong elephant population and unique game viewing. Your day includes lunch and a game drive in the national park and a pontoon-style boat safari, where you silently drift within metres of the river's inhabitants. It is not unusual to sit only metres away from large herds of elephant as they graze for their favourite food along the river banks. Predators, giraffe and grazers are also easily seen in this park.

Return to your lodge in time to freshen-up before you are collected at about 7.00 pm and transferred to The Boma Restaurant for dinner. This barbeque style restaurant is a popular award-winning restaurant which includes a selection of traditional foods and a performance by the local Ndebele people, whose song and dance tell the folklore of the region during a colourful and energetic show. **The Kingdom Hotel - standard room (BLD)..**

Day 4: Victoria Falls airport

After breakfast and check-out you are transferred to Victoria Falls airport for your onward arrangements. **(B).**
