Chobe Princess - 2 night cruise

Day 1: Chobe Princess, Chobe River

On arrival at Kasane airport you are greeted and transferred to the departure pier, via Namibian immigration, for your cruise check-in. Enjoy lunch onboard (if arriving prior to 1.00 pm) or a snack for later arrivals. Once all guests have boarded the houseboat departs in the late afternoon and cruises the Chobe River. This afternoon a tender boat excursion positions you within metres of elephant as they drink and frolic in the river. Look out for pods of hippo dotted in the water and camouflaged Nile crocodile as they lay on the banks of the river. Late afternoon is the perfect time of day to take iconic photos of Chobe's animals as they visit the river before night fall. On return from the tender boat excursion there is time to freshen-up before dinner. A three-course dinner is served along with a choice of beer and wine. Following dinner retire to the night sounds of Africa. **Chobe Princess houseboat (FI).**

Chobe Princess

Cruising on the northern section of the Chobe River, the Chobe Princess fleet offers guests an affordable houseboat experience. As you drift along the Chobe River and spot incredible wildlife, you can relax completely during this intimate river safari experience.

Each cabin has large picture windows for views directly from your king-sized bed, air-conditioning an en-suite bathroom and modern décor. On the upper entertainment deck a spacious lounge and bar area encourages guests to take time out to enjoy a good book or play a board game. There is also a plunge pool should you feel like a refreshing dip. Each triple-level houseboat has a minimum of three smaller tender boats for use on daily excursions. Tender boats ensure guests encounter river-based animals at close proximity. With over 450 bird species found in this wetland paradise you are also guaranteed to spot a variety of birds. Try your hand at landing a bream or tiger fish, or capture Africa's unique beauty on a photographic safari. After a day spent doing as you please, fall asleep to the sounds of the river.

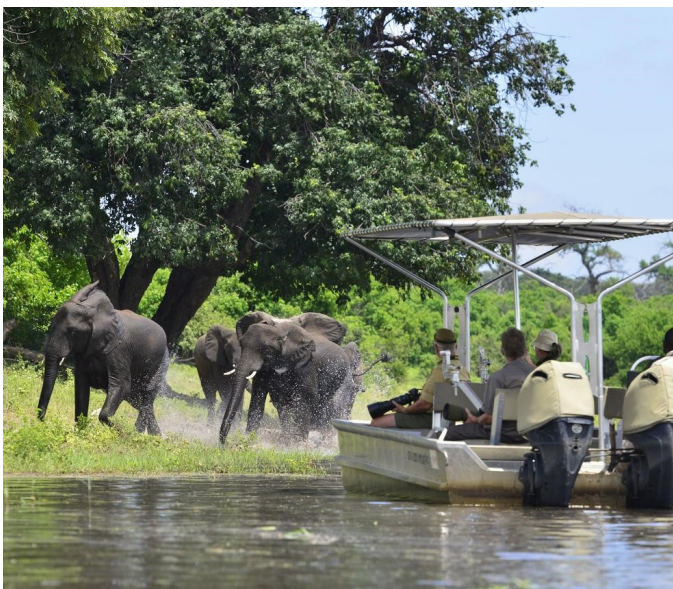

Day 2: Chobe Princess, Chobe River

During your morning enjoy a water-based safari or a cultural village tour on the Namibian side of the river. Partake in a spot of bird watching or try catch and release fishing. Or simply remain on board as your boat glides along the banks of the Chobe River.

After your morning activities enjoy lunch on board. Your dining table provides a unique vantage point to spot wild animals as they feed, drink and bathe in the river. After lunch and some down-time join your guide in the late afternoon for a water-based safari by tender boat. Chobe National Park is known for its 100,000 or more elephant population. Large herds frequent the river regularly and provide great entertainment for visitors. Game viewing on the Chobe River is at its most exceptional from March to November when the weather is drier and the animals are more mobile as they search for food and water. Summer also provides unique opportunities as you can witness the landscape burst into life after the first rains of the season. Complete the day with a delicious dinner before settling down for a restful and tranquil night in your cabin. **Chobe Princess houseboat (FI).**

Day 3: Kasane

Enjoy a morning cruise whilst you enjoy a final breakfast. Take in your last views of the river's wildlife then bid your crew farewell as you make your way via tender boat to the Namibian Immigration Office. Once you have had your documents stamped you will be transferred via tender boat to the Kasane Immigration Office, where you will re-enter Botswana. From here you will be transferred to Kasane airport for your onward arrangements. **(B).**
