## Victoria Falls Experience Super Deal - Victoria Falls Safari Lodge

### Day 1: Victoria Falls

On arrival at Victoria Falls airport you are met and transferred by shuttle service to your lodge, which is located ten minutes drive from Victoria Falls.

Victoria Falls is one of the most spectacular natural wonders in the world. The local people call it 'Mosi-oa-Tunya' - the smoke that thunders. There is a magic about the falls manifested in the towering column of spray when the river is high, the thunder of the falling water, the Batoka abyss and tranquil lagoons upstream in which hippo and crocodiles lurk. The falls are 1,708 metres wide, making it the largest curtain of water in the world. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The falls and the surrounding area has been declared a national park and a World Heritage Site.

In the late afternoon you board your boat for a gentle sunset cruise, including drinks and snacks, on the Zambezi River. As you drift down the river, watching the incredible orange sunset, you really do feel that you are in Africa. The sunsets here are stunning, with the red soil of nearby Namibia providing deep orange skies. After the cruise you are transferred back to your lodge to freshen-up before dinner at the MaKuwa-Kuma restaurant. **Victoria Falls Safari Lodge - standard room (D).**

### Victoria Falls Safari Lodge

Winning the Association of Zimbabwe Travel Agents' Award for 'Best Safari Lodge' for 20 consecutive years, Victoria Falls Safari Lodge is one of the most popular lodges in the Victoria Falls region. Set high on a natural plateau, the westward facing Victoria Falls Safari Lodge borders the Zambezi National Park and is just four kilometres from the entrance to Victoria Falls. Enjoying uninterrupted views of spectacular African sunsets and year round game at the outlying waterhole, the lodge is ideally positioned to offer every traveller a taste of Africa at its best. This award winning lodge has 72 en suite bedrooms with private balconies decorated with African décor. Standard rooms face westwards to the lodge's grounds, whereas waterhole facing rooms face east towards the waterhole. The lodge also offers suites which have a mezzanine bedroom and are suitable for families.

Victoria Falls Safari Lodge is built from local wood and features a vaulted thatched roof which covers the multi layered communal areas. The lodge boasts two of the country's top restaurants, The Boma and the a la carte MaKuwa-Kuwa Restaurant. The Boma offers an unforgettable African dining experience incorporating Zimbabwean cuisine, traditional dance performances and interactive drumming show. Whilst the MaKuwa-Kuwa celebrates the richness of Africa's heritage with fine fare, unmatched hospitality and superb views. The elevated bar area, casual eating restaurant, lounges and pool all overlook the waterhole and vast plateau. Lodge facilities include an internet café with e-mail access, wireless internet access from all rooms and public areas, a TV lounge with satellite link, a guest library, games room and a curio shop.

Victoria Falls Safari Lodge is located adjacent to its sister lodges. Victoria Falls Safari Club; a five-star boutique lodge which indulges guests with extra inclusions. Victoria Falls Safari Suites; a four-star townhouse style complex appealing to families and small groups, and Lokuthula Lodges; a series of three-star two and three bedroom thatched lodges, attracting families and small groups on a budget.

### Day 2: Victoria Falls

After breakfast you join an informative guided tour of Victoria Falls on the Zimbabwe side.

Accompanied through the rainforest by a qualified guide you hear a brief history of the falls as well as information on the flora and fauna and other points of interest. You return to the lodge around midday.

Enjoy a Culture Vulture lunch at the lodge, which includes a viewing of birds of prey as they devour scraps. After lunch there is time in the afternoon to relax or enjoy an optional excursion. Victoria Falls has become a mecca for travellers who enjoy the great outdoors. Extreme adventurers can enjoy bungee jumping, zip lining, white water rafting and a swing over an adjacent valley. Culture buffs can join informative visits to a nearby township, rural village or enjoy lunch with a local family. Sightseeing offers incredible views of the falls, with scenic helicopter and micro light flights both popular. Wildlife can be viewed in 'big five' private game reserves, or in the Zambezi National Park, on game drives, canoe safaris and in the form of animal interactions.

This evening at 7.00 pm you are transferred to The Boma Restaurant for dinner. This barbeque style restaurant is a popular award-winning restaurant which includes a selection of traditional foods and a performance by the local Ndebele people, whose song and dance tell the folklore of the region during a colourful and energetic show.

**Victoria Falls Safari Lodge - standard room (BLD).**

### Day 3: Victoria Falls
