## The Garden Route - camping

### Day 1: Addo Elephant National Park

After meeting your fellow travelers in Port Elizabeth we head inland to the greater Addo region, where we set up camp. After lunch we head to the national park to enjoy an afternoon game drive in the tour vehicle in search of the famous elephants that call Addo home. Recent expansion has seen Addo grow to become the third largest of South Africa's national parks. The unique vegetation of Addo supports a wide variety of wildlife and we spend the afternoon in search of wildlife. **Kudu Ridge Lodge – twin dome tent with shared ablutions (LD).**

### Day 2: Jeffreys Bay, Tsitsikamma National Park

Setting out early this morning we make a brief visit to the surfing mecca of Jeffreys Bay. Most famous for its great surf waves this little town is also home to a small surfing museum. We then turn west to the Tsitsikamma region where we stay for the next two nights. **Tsitsikamma Cottage or Tube n Axe – twin dome tent with shared ablutions (BLD).**

### Day 3: Tsitsikamma National Park

Tsitsikamma National Park is one of South Africa's premier marine reserves and this morning we set out to explore the rugged coastline on foot. Our hike along the Waterfall Trail sees us cover the first section of the Otter Trail. This is not an easy hike and those who prefer a more leisurely option can make use of the boardwalks to the Storms River Mouth. We return after our hike and you will have the opportunity to book the Woodcutters Journey in the afternoon where you experience the uniqueness of the Tsitsikamma biome and learn about the history of the area and its indigenous fauna and flora (own expense). **Tsitsikamma Cottage or Tube n Axe - twin dome tent with shared ablutions (BLD).**

### Day 4: Knysna

The garden route is a treasure trove of beautiful beaches, forest walks and an exciting menu of optional adventures. While our morning is set aside for an exploration of Nature's Valley, this beautiful village offers us a chance to enjoy a hike or simply relax on the pristine beaches of the Keurbooms Lagoon. Today offers a number of optional activities. Your guide will assist you with a plan to get the most out of your day. **Gooderson Knysna – room with en-suite (BLD).**

### Day 5: Oudtshoorn

We travel over the Outeniqua Mountains into the Little Karoo to the town of Oudtshoorn. We tour the famous Cango Caves, with their impressive ancient stalagmites and stalactites before we overnight in the ostrich capital of South Africa. **Kleinplaas Holiday Resort – twin dome tent with shared ablutions (BLD).**

### Day 6: Hermanus

Travelling through the valley of the Klein Karoo, we follow the winding tarmac of Route 62. Road trips in South Africa are an exploration of the rural highlights that dot the lesser known byways of the land. No journey would be complete without sampling the offerings of a "Padstal" along the way. These small farm stalls offer a selection of homemade treats and bakes and are an important cog in the economies of rural towns. **Windsor Hotel – room with en-suite (BLD).**

### Day 7: Cape Town

Made up of a collection of villages, farms, rivers, bays, coves and valleys, the Cape whale coast is a pristine stretch of the South African coastline which runs from the town of Rooiels for roughly 150km, to the east.

Beginning early, we will have a short time to stroll along the boardwalk in Hermanus in search of the southern right whales that frequent the shores in the months of July to November.

Next, we stop at the largest breeding colony of the African penguin Stony Point Nature Reserve, before travelling along the coast to a wine farm in the Stellenbosch region to sample pairings of chocolates and wine. Our journey comes to an end upon arrival in mother city of Cape Town. **(BL)**.
