Running the length of the Kwazulu-Natal province, the Ukuhlamba Drakensberg Park is a UNESCO world heritage site. Whether you go by the Zulu name uKhahlamba, meaning 'barrier of spears', or the Afrikaans name Drakensberg, meaning 'dragon mountains', these towering mountains will be our backdrop for the next two nights. We set out this morning for a day of hiking to explore the mountains of the Drakensberg, along our way we will have the opportunity to view examples of San rock art with a local guide at Battles Cave. While we encourage everyone to make the most of the day in mountains, we may offer separate options depending on the activity level of the group. You have the opportunity of an optional pony trek this afternoon to experience this first-hand. **Malealea Lodge – room with en-suite (BLD).**

Day 5: Graaff-Reinet

Returning to South Africa, we descend the mountains and travel across the Great Karoo. The semi-arid Karoo represents the heartland of rural South Africa and presents a stark contrast to the mountains we leave behind. Our overnight stop is set in the historic town of Graaff-Reinet, the fourth oldest town in the country. We cross the Gariep River today as we journey through the vast countryside of the Karoo. This evening you will have the opportunity to join a sundowner excursion to the Valley of Desolation. This unique valley offers a panoramic view over the town and the wide-open plains stretching out below. (During the winter months, this activity will become a sunrise excursion to the Valley of Desolation the following morning.) **Profcon Resort – room with en-suite (BLD).**

Day 6: Addo Elephant National Park

Setting course for the coast once again, we pass through the open plains of the Karoo and the wildlife charms of the Addo National Park. The unique vegetation of Addo supports a wide variety of wildlife and we spend the afternoon in search of wildlife. **Kudu Ridge Lodge – room with en-suite (BLD).**

Day 8: Jeffreys Bay, Tsitsikamma National Park

Tsitsikamma National Park is one of South Africa's premier marine reserves and this morning we set out to explore the rugged coastline on foot. This is not an easy hike and those who prefer a more leisurely option can make use of the boardwalks to the Storms River Mouth. After our hike and you have the opportunity to book the Woodcutters Journey in the afternoon where you experience the uniqueness of the Tsitsikamma biome and learn about the history of the area and its indigenous fauna and flora (own expense). **Tsitsikamma Cottage – room with en-suite (BLD).**

Day 10: Knysna

The garden route is a treasure trove of beautiful beaches, forest walks and an exciting menu of optional adventures. Day 12: Hermanus

Travelling through the valley of the Klein Karoo, we follow the winding tarmac of Route 62. Road trips in South Africa are an exploration of the rural highlights that dot the lesser known byways of the land. No journey would be complete without sampling the offerings of a "Padstal" along the way. These small farm stalls offer a selection of homemade treats and bakes and are an important cog in the economies of rural towns. **Windsor Hotel – room with en-suite (BLD).**

Day 13: Cape Town

Made up of a collection of villages, farms, rivers, bays, coves and valleys, the Cape whale coast is a pristine stretch of the South African coastline which runs from the town of Rooiels for roughly 150km, to the east. Beginning early, we will have a short time to stroll along the boardwalk in Hermanus in search of the southern right whales that frequent the shores in the months of July to November. Next, we stop at the largest breeding colony of the African Penguin, Stony Point Nature Reserve, before travelling along the coast to a wine farm in the Stellenbosch region to sample pairings of chocolates and wine. Our journey comes to an end upon arrival in mother city of Cape Town. **(BL).**
