## Through the Rift Valley

### Day 1: Masai Mara National Reserve

Make your way to the Safari Park Hotel by 7:00am. After a pre-tour meeting you depart Nairobi and travel towards Kenya's fertile highlands. You will head down the rift escarpment on the road built by Italian prisoners of war during World War II. On the way spot the charming chapel built at the foot of the escarpment. Pass the impressive Longonot Earth satellite station as you head across the valley to Narok. Continue across acres of wheat and barley, before reaching the Masai Mara in time for lunch.

The Masai Mara National Reserve, although not the largest game park in Kenya, is one of the most spectacular and most popular. Rich in game, the rolling grasslands and acacia savannah have frequently been captured on film, with "Out of Africa" being the most famous. The reserve borders Tanzania and the two countries share the vast Serengeti plains, with wildlife free to roam between Kenya and Tanzania in search of food. The concentration of game in the Mara during the mass migration is mind blowing, and this is one of the few areas where you are likely to see all of the 'big five' - buffalo, elephant, rhino, lion and leopard. In fact lions are very common and you are quite likely to see them feeding on a kill during your visit. Other animals include cheetah, zebra, spotted hyena, black backed jackal, hippo, giraffe, eland and of course wildebeest. The Mara-Serengeti ecosystem is famous for the annual migration of over one million wildebeest and thousands of zebra and gazelles. The incredible spectacle of them crossing the Mara river into Kenya generally happens in late July or August. Thousands of animals die in this dramatic crossing and predators and crocodiles are winners. In October the animals return again to Tanzania.

Following lunch set off on your first game drive, returning to the lodge as the sun sets. **Mara Sopa Lodge (LD).**

### Mara Sopa Lodge

The lodge is set in the Oloolaimutia Valley and built into the surrounding hillside landscape. A fabulous wealth of wildlife, birdlife and natural flora can be seen in every direction. The lodge is well appointed with all the modern comforts one would expect from a Sopa styled lodge in the bush. The lodge has fifty guest cottages divided into two wings to either side of the main public areas. Each of these houses two spacious guest rooms with queen and king size beds, mosquito nets, electronic safes, en-suite bathrooms and sheltered verandas that all have views over the gardens and the game reserve beyond. Six of the cottages contain two suites with larger bedrooms and bathrooms, and both indoor and outdoor seating areas. The large, communal lounge and bar area has a massive central fireplace whose chimney soars twenty metres up to the top of the thatched conical roof. The walls and their murals are painted with earthen colours to create a welcoming ambience. The covered outdoor veranda with its views over the swimming pool, the gardens, and the game reserve beyond are linked to an outdoor dining room patio by a bridge. This is an impressive lodge for the price, which is popular with small group safaris and those wanting a value added safari.

### Day 2: Masai Mara National Reserve

Following an early breakfast, depart on a morning game drive, returning to the camp mid-morning. After lunch, and perhaps a siesta, set off on another game drive. This afternoon you also visit a Maasai village, where you have an opportunity to interact with these fascinating people. Return to the lodge as the sun sets. It is possible to pre-book an optional early morning balloon safari (additional cost). Hot air ballooning safaris replace your regular morning game drive. Hot air balloon safaris are a once in a lifetime experience and include a superb champagne bush breakfast dining experience after your flight. **Mara Sopa Lodge (BLD).**

### Day 3: Lake Nakuru

Leaving the Masai Mara after breakfast, travel across the 'breadbasket' of Kenya, where acres of wheat and barley litter the landscape as you head north to Narok, the district headquarters of this part of Maasailand. Now travel across the vast plains on the floor of the Rift Valley, keeping an eye out for herds of giraffe and gazelle as you head up the Mai-Mahiu, before arriving at Lake Nakuru around midday. Once in the park, view game en route to the lodge. Following lunch and siesta, there is an afternoon game drive returning to the lodge as the sun sets. The national park, known for its birdlife, offers the possibility of viewing flamingos. It is also home to black and white rhinos, as well as the endangered Rothschild giraffe. **Lake Nakuru Sopa Lodge (BLD).**

### Lake Nakuru Sopa Lodge

Located on the range of hills that form the western limits of Africa's Great Rift Valley, Lake Nakuru Sopa Lodge offers spectacular views over the lake and its surrounding national park. Opened in 2015, the lodge is a showcase for modern African décor. Each of the sixty suites has an open balcony, private en suite, mini-bar and Wi-Fi connectivity. The lodge's communal lounges, two bars and dining areas are all located on sheltered terraces affording extensive views of the local wildlife. The infinity pool overlooks Lake Nakuru itself, which is often home to a vast flamingo population.

### Day 4: Nairobi

Following an early breakfast, continue to Lake Naivasha for a boat ride. Leaving the Rift Valley behind, proceed to Nairobi arriving late morning. Once in the city, you will be dropped off at the Intercontinental Hotel for your ongoing travel arrangements. If flying out of Nairobi this afternoon, please book your flight to depart after 3:30pm **(B).**
