Victoria Falls Safari Lodge

Winning the Association of Zimbabwe Travel Agents' Award for 'Best Safari Lodge' for 20 consecutive years, Victoria Falls Safari Lodge is one of the most popular lodges in the Victoria Falls region. Set high on a natural plateau, the westward facing Victoria Falls Safari Lodge borders the Zambezi National Park and is just four kilometres from the entrance to Victoria Falls. Enjoying uninterrupted views of spectacular African sunsets and year-round game at the outlying waterhole, the lodge is ideally positioned to offer every traveller a taste of Africa at its best. This award-winning lodge has 72 en suite bedrooms with private balconies decorated with African décor. Standard rooms face westwards to the lodge's grounds, whereas waterhole facing rooms face east towards the waterhole. The lodge also offers suites which have a mezzanine bedroom and are suitable for families.

Victoria Falls Safari Lodge is built from local wood and features a vaulted thatched roof which covers the multi layered communal areas. The lodge boasts two of the country's top restaurants, The Boma and the a la carte Ma-Kuwa-Kuwa Restaurant. The Boma offers an unforgettable African dining experience incorporating Zimbabwean cuisine, traditional dance performances and drumming show. Whilst the MaKuwa-Kuwa celebrates the richness of Africa's heritage with fine fare, unmatched hospitality and superb views. The elevated bar area, casual eating restaurant, lounges and pool all overlook the waterhole and vast plateau. Lodge facilities include an inter-net café with e-mail access, wireless internet access from all rooms and public areas, a TV lounge with satellite link, a guest library, games room and a curio shop.

Day 2: Victoria Falls

After breakfast you join an informative guided tour of Victoria Falls on the Zimbabwe side. Accompanied through the rainforest by a qualified guide you hear a brief history of the falls as well as information on the flora and fauna and other points of interest.

Victoria Falls represents one of the most spectacular natural wonders of the world. The local people call it 'Mosi-oa-Tunya' - the smoke that thunders. There is a magic about the Falls manifested in the towering column of spray when the river is high. Victoria Falls is 1,708 metres wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The Falls and the surrounding area has been declared a national park and a World Heritage Site.

After the tour you return to your lodge for an afternoon at leisure. Relax by the pool, head into town for some souvenir shopping, or join an optional excursion (additional cost). Options include scenic helicopter flights over the Falls, game drives in nearby national parks and village visits. **Victoria Falls Safari Lodge - standard room (B).**

Day 3: Victoria Falls airport

After breakfast and check-out you are transferred to Victoria Falls airport for your onward arrangements. **(B)**.
