Day 2: Masai Mara National Reserve

Leaving Nairobi after breakfast, you travel towards Kenya's fertile highlands and head down the rift escarpment on the road built by Italian prisoners of war during World War II. On the way spot the charming chapel built at the foot of the escarpment. Pass the impressive Longonot earth satellite station as you head across the valley to Narok; continue your travels across acres of wheat and barley, before reaching the Masai Mara in time for lunch. Following lunch set off on your first game drive, returning to the lodge as the sun sets. **Mara Serena Safari Lodge (BLD).**

Mara Serena Lodge

Located at the very centre of the famous 'Mara Triangle' of the world-renowned Masai Mara National Reserve, the Mara Serena Safari Lodge is the ultimate safari destination. Set high on a bush-cloaked hill with long views over the savannah and down to the winding coils of the hippo-filled Mara River, it stands centre-stage to one of Africa's most dramatic wildlife arenas, with a ringside seat for the greatest wildlife show on earth, the legendary migration of the wildebeest. Styled to echo the circular motif of a traditional Maasai manyatta, the lodge blends international sophistication with raw African beauty, while featuring twin rows of individual rooms, each with its own view of the famous Mara River.

Day 3: Masai Mara National Reserve

Following an early breakfast, depart on a morning game drive, returning to the camp mid-morning. Alternatively, you can choose to enjoy a bush breakfast at a nearby hippo pool which replaces your morning game drive. After lunch, and perhaps a siesta, set off on another game drive and visit to the Masai Village, returning to the lodge as the sunsets. *(It is possible to pre-book an optional early morning balloon safari (own expense)).* **Mara Serena Safari Lodge (BLD).**

Day 4: Lake Elementaita / Lake Nakuru

Today you will travel across the vast plains of the Rift Valley. Keep an eye out for herds of giraffe and gazelle as you head up the Mau Escarpment, before arriving at Lake Elementaita Camp for lunch. After lunch you will take an afternoon game drive in Nakuru National Park, before returning to the lodge for your overnight stay. Within Lake Nakuru National Park's 188 square kilometres lies the shallow and strongly alkaline Lake Nakuru. The lake's waters often appear to be a shimmering pink from the million lesser flamingos which can line its shores. The park is set in a picturesque landscape of surrounding wood and grasslands.

Amboseli Serena Lodge

Aside from flamingo and other waterbirds which abound, other wildlife highlights include black and white rhino, hippo, Rothschild giraffe, lion, leopard and a variety of primates, including vervet monkeys, baboons and black and white colobus. **Lake Elementaita Serena Camp (BLD).**

Lake Elementaita Serena Camp

This luxury camp is located on the Soysambu Conservancy, right on the shores of Lake Elementaita. Offering a blend of exclusivity and adventure, this camp comprises of 25 luxury tents, a dining and lounge area, spa and swimming pool. Each tent has a private veranda with magnificent views of the vast lake. Soysambu Conservancy is a wildlife sanctuary that boasts a broad range of wildlife and bird species. The conservancy is home to the Rothschild giraffe and is east Africa's only breeding ground for the great white pelican. Serena Lake Elementaita is good base for those travelers visiting the popular lake national parks of Nakuru and Naivasha. The extensive views of the surrounding plains and Lake Elementaita offer wildlife viewing directly from its rooms and terraces, whilst enjoying the facilities of the camp.

Day 5: Amboseli National Park

After breakfast, and a birdlife walk at the lake (*time permitting*), leave the Rift Valley behind and head back to Nairobi for an early lunch. Then continue south towards Amboseli National Park, bordering Tanzania. Your lodge offers the most dramatic vista in Africa; Mt Kilimanjaro. Dinners are enjoyed with the moonlit mountain as your backdrop. (*An optional bird walk at Lake Elementaita is available with an experienced resident naturalist*). **Amboseli Serena Lodge (BLD).**

Amboseli Serena Lodge

Set against the magnificent backdrop of Africa's highest mountain, the glittering Mount Kilimanjaro, Amboseli Serena Safari Lodge enjoys a uniquely privileged position at the heart of this world-famous national park. Secluded within a grove of acacia trees, the lodge looks out over the golden savannah plains, with uninterrupted views of the mountain itself. At the centre of 'Maasailand', the lodge's décor reflects the brilliant primary colours and iconic shapes representative of these legendary warriors. At the heart of the lodge, shaded by palm trees, is a free form swimming pool; to either side of which stretch the rooms. Each room is housed in a single storey building opening directly on to the grounds, each reflecting a Maasai manyatta theme, each with its own hand-painted wall frescos. The central dining area is reached by a timbered bridge over a melt-water stream, while the lounge and bar feature a broad terrace and a blazing fire-pit where evening cocktails can be enjoyed.

Day 6: Amboseli National Park

Today you will observe the park's inhabitants on morning and afternoon game drives. Famous for its large herds of elephants and in particular its 'big tuskers', a day in Amboseli is a highlight of your safari.

One of the most popular parks in Kenya, wildlife viewing here is great all year round. The melting snows of Kilimanjaro flow underground into the park, continually feeding water to springs, swamps and marshes. Amboseli is a favourite spot for wildlife, in particular elephant, with over 1000 living in the park eco-system. Along with elephant there's hippo, giraffe, oryx antelope, buffalo, wildebeest, zebra and gazelle, plus a profusion of birdlife. Lions are very rare, but cheetahs are seen fairly frequently. A hot lunch is served at a picnic site, followed by more game viewing before you return to the lodge for dinner. (*Optional included tree planting experience available*).
