The Falls Explorer - The Elephant Camp

Day 1: Victoria Falls

On arrival at Victoria Falls airport you are met and transferred by shuttle service to your lodge, which is located within Victoria Falls National Park and is only a short drive from town centre.

In the late afternoon you transfer to the Zambezi River where you board a sunset cruise. Enjoy snacks and drinks while you watch out for hippo, Nile crocodile and elephant. As you drift down the river, watching the incredible orange sunset, you really do feel that you are in Africa. The sunsets here are stunning, with the red soil of nearby Namibia providing deep orange skies. **The Elephant Camp - luxury tent (FI).**

Elephant Camp

Elephant Camp is a luxury, intimate lodge under canvas within driving reach of the attractions and activities in Victoria Falls, yet it is secluded on its own private game reserve. This intimate five-star camp has views across to the spray from Victoria Falls and of the spectacular gorges which separate Zimbabwe and Zambia.

Elephant Camp is split into two camps offering exclusive suite accommodation for only 24 guests in 12 luxury tents. All suites are gorge facing and boast a private viewing deck and plunge pool, private lounge area, air-conditioning and fans, bath (with a view), inside and outside shower, mini bar and tea/coffee stations. The elevated lounge, bar and dining area lead out to a sunken pool and fire pit surrounded by decking.

All guests staying at Elephant Camp will have an opportunity to meet a herd of orphaned elephants which are cared for by the camp, amongst other included activities such as village visits, canopy tours, a visit to the Victoria Falls Wildlife Trust and sundowner drinks overlooking the Batoka Gorge. Regarded as the best safari camp style property at Victoria Falls, Elephant Camp is a popular base to visit the Falls and more. Book early to avoid disappointment.

Day 2: Victoria Falls

After breakfast you join an informative guided tour of Victoria Falls on the Zimbabwe side. Accompanied through the rainforest by a qualified guide you hear a brief history of the falls as well as information on the flora and fauna and other points of interest.

Victoria Falls represents one of the most spectacular natural wonders of the world. The local people call it 'Mosi-oa-Tunya' - the smoke that thunders. There is a magic about the Falls manifested in the towering column of spray when the river is high. Victoria Falls is 1,708 metres wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The Falls and the surrounding area has been declared a national park and a World Heritage Site.

After the tour you can return to your lodge and relax by your private plunge pool, or take lunch at The Lookout Café nearby (included). Other options at The Elephant Camp include: a Victoria Falls Canopy Tour, meeting a herd of orphaned elephants, or visiting the Victoria Falls Wildlife Trust. For a fantastic end to the day, surround yourself with nature with a sundowner drink in hand and a choice of snacks at Batoka Gorge. Views of the winding gorge at sunset are truly breathtaking. **The Elephant Camp - luxury tent (FI).**
