# Cape Town to Victoria Falls Grand Explorer

## Day 1: Cape Town, South Africa

After an early morning tour briefing at the guesthouse, you join the tour group and depart at 8:00 am to visit the African penguin colony in Boulders where you can walk among the penguins on raised boardwalks. Following your penguin encounter we continue on to Cape Point Nature Reserve, home to 7750 hectares of rich and varied flora and fauna located at the tip of the Cape Peninsula. Then we head to the beaches of Hout Bay for some relaxation. On return to Cape Town you can sample some of the city's culinary wonders at a local restaurant in the Victoria & Alfred Waterfront (own expense). **Sweetest Guesthouses - twin room.**

## Sweetest Guesthouses

The guesthouses are individually decorated houses located near the popular V&A Waterfront. Tour group passengers may be spread amongst any of the houses, which are within easy walking distance of each other. The tour group will all enjoy breakfast in the same house. All rooms are twin with en suite facilities.

Cape Town is one of the world's most picturesque tourist destinations and is a city offering a mix of attractions. Situated amidst majestic mountains and surrounded by pristine white beaches, the city is truly very beautiful. Often called the 'cosmopolitan hub of Africa', Cape Town is home to a rich cultural and historical heritage, vibrant restaurants, scenic cruises and world-class, affordable shopping. Take a tour which visits Table Mountain, the Malay Quarter, the city centre, Company Gardens (Dutch East India Company) and the Castle of Good Hope. Or stroll around the Victoria & Alfred Waterfront.

## Day 2: Cederberg, South Africa

From Cape Town we head north to the rugged landscape of Cederberg. This area is a massive rock wilderness with giant sandstone boulders that have been sculpted by wind and rain into bizarre and artistic shapes. We explore the rugged landscape of the area on foot before relaxing in chalets for the evening. **Western Cape Nature Conservation - two bedroom chalet with shared bathroom between two rooms (BLD).**

## Western Cape Nature Conservation

Managed by the Western Cape Nature Conservation authority the Cederberg has six new cottages built in 2015. These modern two-bedroom cottages have a double bed in the main bedroom, two single beds in the other room and a sleeper couch in the living area. Each cottage has one bathroom with a shower and toilet, a terrace with beautiful views over the mountain and inside fire place.

## Day 3: Gariep River, Namibia

We make our way into more arid landscapes. On entering Namibia we stay at a lodge on the Gariep River, the natural land border between South Africa and Namibia. Namibia's southern border river flows quietly and peacefully and the river valley is hardly affected by tourism. The riverbed is sandy, the water clean and clear. There is free time for swimming and relaxing, or you can venture down the river in canoes (own expense). **Felix Unite Cabanas with en suite (BLD).**

## Felix Unite Cabanas

Felix Unite offers accommodation in cabanas for guests wanting to ride the rapids, or simply relax in this stunning region. There are 17 en suite cabanas, two family en suite cabanas sleeping four each, and a honeymoon suite. Each cabana has air conditioning with mini coffee bars.

Communal areas feature grassed grounds, a restaurant, bar and swimming pool. The camp is situated halfway between Cape Town and Windhoek. With breathtaking views overlooking the river, the camp is only 13 kilometres from the Namibia and South Africa border.

#### Day 4: Fish River Canyon

Fish River Canyon, situated along the lower reaches of the Fish River, is one of the most impressive natural beauties in the southern part of Namibia. With its depth of up to 550 metres, the Fish River Canyon is the second largest canyon in the world. We make our way to the canyon and in the afternoon watch a spectacular sunset over the canyon's rim. **Canyon Mountain Camp - chalet with en suite (BLD).**

Canyon Lodge sits at the base of the picturesque Dolerite Hills within Gondwana Canyon Park, just 20 km from Fish River. Built around an old farmhouse, it is a charming, rustic lodge. The rooms have been designed well to fit in amongst and between huge granite rocks and they have lots of character. The lodge's main area has quite a 'cosy farmhouse' atmosphere. It is the ideal place to stay for exploring Fish River Canyon. A considerable walk from the main area, in a peaceful and isolated spot down a long pathway past the chalets, is a stunning turquoise swimming pool with beautiful views. Comfortable loungers and plenty of shade make this a good place to relax, and there's also an honesty bar and towels for guests to use. Activities arranged by Canyon Lodge are similar to those at Canyon Village, and include a sunrise walk, a morning hike (6 km), a drive to Fish River Canyon, horse-back riding and a sundowner drive or walk.

#### Days 5-6: Namib Desert

The parched Namib Desert has endless orange dunes blown into sharp ridges by the sand-shifting wind at Sossusvlei, forming a gateway into the Namib Desert. We will walk to Sossusvlei, explore Sesriem Canyon and from the comfort of our lodge outside the national park, watch dramatic sunsets over the world's highest sand dunes. **Desert Camp - permanent tents with en suite (BLD).**

#### Desert Camp

Nestled under centuries old thorn trees, Desert Camp has an unsurpassed 360 degrees view over the desert landscape and surrounding mountains. An absolute must for the nature lover and photographer. Facilities at the main building include a fully stocked and serviced bar with big screen television, a sparkling swimming pool and two communal bomas.

Swakopmund is a popular seaside resort with a slightly nostalgic atmosphere, characterized by numerous colonial buildings. Founded by the Germans in 1892 their colonial influence is still evident today. The town has a selection of excellent coffee shops, restaurants and bars, as well as many arts and crafts shops selling curios. There are fine beaches to walk along as well as a great museum, aquarium and galleries to visit. Swakopmund is also the adventure activity capital of Namibia. **Hotel Pension a la Mer - twin room with en suite (BL).**

## Cape Town to Victoria Falls Grand Explorer

### Day 8: Swakopmund

Today is free to explore the town. Swakopmund is Namibia's seaside mecca with a small town appeal. ### Day 9: Damaraland

Namibia is a land of great contrasts and Damaraland demonstrates this with stark plains, petrified forests and ancient valleys leading to rocky outcrops and the soaring peaks of the Brandberg Massif Mountains. Damaraland is one of the most scenic areas in Namibia, a huge, untamed, ruggedly beautiful region. Here there are prehistoric water courses with open plains and grassland, massive granite koppies and deep gorges. Animals such as elephant, black rhino, giraffe, ostrich and springbok have adapted to survive the harshness of the sun-blistered, almost waterless desert spaces. **Brandberg White Lady Lodge - chalet with en suite (BLD).**

### Brandberg White Lady Lodge

Brandberg White Lady is a great value lodge located in an ideal position to explore the sights of Damaraland. The stylish chalets and bungalows at the lodge are spread over an area in the river valley, among large, shady trees. Every unit includes an en suite bathroom, ceiling fans and a private veranda. The lodge has a good restaurant, pool and curio shop.

### Days 10-11: Etosha National Park

Once a vast lake fed by the Kunene River, the pan that is Etosha National Park dried up thousands of years ago when the river waters chose a new course. Covering 20,000 sq kms, Etosha is Namibia's premier nature and wildlife reserve offering big game park. We take game drives around the huge pan to find elephant, herds of antelope and lions around the waterholes. Etosha's appeal lies in its waterholes. Due to the arid nature of the park, animals are forced to drink at the parks supplied waterholes which attracts a diverse variety of species. It is not unusual to see lion, drinking next to elephant and grazers. Large herds of zebra and springbok attract predators and the waterholes provide a chance to hunt at both dusk and dawn. Here you stay at a lodge on the outskirts of the national park. **Tarentaal Guest Farm - twin room with en suite (BLD).**

### Tarentaal Guest Farm

Decorated in African safari-style, the rooms at the guest house adjoin an open dining room where meals are enjoyed with a panoramic view of the surroundings. We visit the cosmopolitan capital and enjoy a restaurant meal (own expense). **Klein Windhoek Guest House - standard room with en suite (BL).**

We drive to Victoria Falls for a two night stay on the Zimbabwe side of the Falls. Magnificent Victoria Falls is one of the seven natural wonders of the world. David Livingstone first viewed the Falls in 1885 and named them after his Queen. The scene he encountered was a mile-wide (1.6 km) sheer basalt fault line over which the mighty Zambezi tumbled to a depth of 100m, creating a cloud of spray. The next two days are spent relaxing or participating in a myriad of optional excursions available. Walk down to Victoria Falls National Park for a self-guided tour of the Falls (national park entry fee included).

Optional excursions include: sunset boat cruises, game drives in the Zambezi National Park, animal interactions and high tea at the Victoria Falls Hotel. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge. All year round flights in micro lights or helicopters are available to provide an aerial perspective over this magnificent world heritage site. White water rafting on the Zambezi is world class. Beside the excitement of the grade 5 rapids, there are the "floats," where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks. Your Tour Leader will discuss these excursions with you once on tour (additional costs apply). **Shearwater Explorers Camp - twin room with en suite (B).**

### Shearwater Explorers Camp

Explorers Village offers the modern pioneer a perfect haven from which to investigate Victoria Falls. There is no upper age limit on this tour, however, clients older than 65 years of age at time of travel require a medical certificate stating they are fit and healthy enough to join an adventure travel group tour.

**Accommodation:** In most cases accommodation is in national parks, on the banks of a river, or in other places of interest. The accommodation will be a mix of lodges, guest houses, chalets in camp sites and tented camps. Most have a private bathroom with a shower and toilet. All cooking and eating utensils will also be provided. On occasion we will eat out at a local restaurant, or at the lodge's restaurant, as this gives us a taste of the local cuisine. These are usually paid for by yourself – see the meal inclusions listed on your itinerary.
