The Falls Experience - The Kingdom

Day 1: Victoria Falls

On arrival at Victoria Falls airport you are met and transferred by shuttle service to your lodge, which is located a few moments walk from the entrance to Victoria Falls.

Victoria Falls is one of the most spectacular natural wonders in the world. There is a magic about the falls manifested in the towering column of spray when the river is high, the thunder of the falling water, the Batoka abyss and tranquil lagoons upstream in which hippo and crocodiles lurk. The falls are 1,708 metres wide, making it the largest curtain of water in the world. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s.

In the late afternoon you board your boat for a gentle sunset cruise, including drinks and snacks, on the Zambezi River. As you drift down the river, watching the incredible orange sunset, you really do feel that you are in Africa. The sunsets here are stunning, with the red soil of nearby Namibia providing deep orange skies. **The Kingdom - standard room.**

The Kingdom

The Kingdom is a modern-day tribute to the ancient and alluring Africa. Great billowing domes, pillars and bridges built on a man-made lake, mark a style that belies the modern facilities within. The decor is full of character and forms part of the hotel's persona. This hotel is the closest hotel to the mighty Victoria Falls and is the perfect family destination.

There are 294 rooms (70 with bunk beds), three restaurants, four swimming pools, four bars and the Makasa Casino - one of Zimbabwe's finest and most attractive casinos. Located only a few minutes' walk from Victoria Falls and the national park entrance, this popular hotel is perfect for travellers wanting convenience and good value. Experience the essence of Africa in all the splendour and opulence of The Kingdom at Victoria Falls.

Day 2: Victoria Falls

After breakfast you join an informative guided tour of Victoria Falls on the Zimbabwe side. Accompanied through the rainforest by a qualified guide you hear a brief history of the falls as well as information on the flora and fauna and other points of interest.

Victoria Falls constitutes one of the most spectacular natural wonders of the world. The local people call it 'Mosi-oa-Tunya'- the smoke that thunders. There is a magic about the falls manifested in the towering column of spray when the river is high. Victoria Falls is 1,708 metres wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The falls and the surrounding area has been declared a national park and a World Heritage Site.

You return to the lodge around 11:00am. There is time in the afternoon to relax or enjoy an optional excursion. This evening at 7.00 pm you are transferred to The Boma Restaurant for dinner. This barbeque style restaurant is a popular award-winning restaurant which includes a selection of traditional foods and a performance by the local Ndebele people, whose song and dance tell the folklore of the region during a colourful and energetic show. **The Kingdom - standard room (BD).**
