Cape Town Explorer - The Commodore

Day 1: Cape Town

On arrival at Cape Town airport you will be met by our representative and assisted to the transfer vehicle, before being driven to your hotel. Cape Town is one of the world's most picturesque tourist destinations and is a city offering a mix of attractions. Situated amidst majestic mountains and surrounded by pristine white beaches, the city is truly very beautiful. Often called the 'cosmopolitan hub of Africa', Cape Town is home to a rich cultural and historical heritage, vibrant restaurants, scenic cruises and world-class, affordable shopping. Your accommodation is located at the rear of the vibrant Victoria and Alfred Waterfront. **The Commodore - standard room.**

The Commodore

The four-star Commodore lies where Table Mountain and the sea meet. The hotel overlooks the Victoria and Alfred Waterfront, with views of Table Mountain, Robben Island and the Atlantic Ocean. The Commodore is the flagship hotel for Legacy Hotels & Resorts offering deluxe accommodation, quality service and a tranquil setting. Themed in a nautical fashion to match its surrounds, The Commodore has spacious en suite rooms and suites which have been recently refurbished to ensure guests are accommodated in comfort and style. Some rooms in the upper levels include views of Table Mountain. The hotel's enviable location allows guests to stroll to nearby restaurants, shops and sights in a safe and relaxing manner. There's also free internet access, a bar, restaurant and lounge and the Casuarina Spa and Wellness Centre. The Commodore Hotel is a popular hotel where guests are treated as friends and hospitality comes naturally.

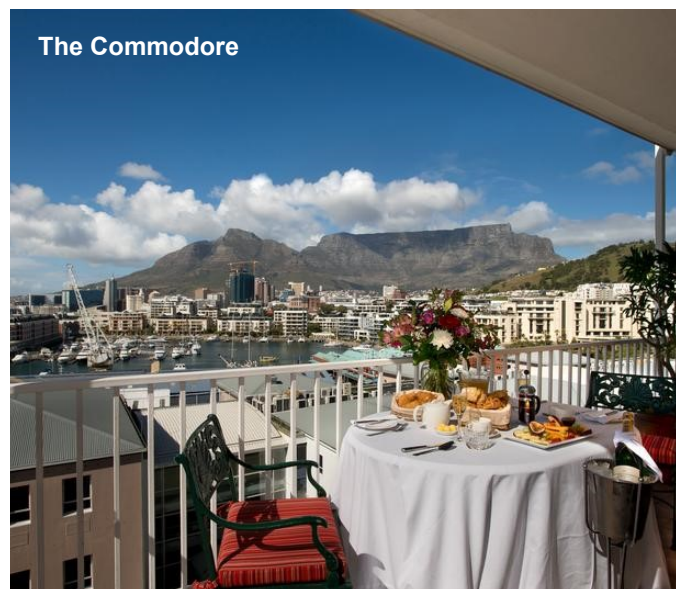

Days 2 - 3: Cape Town

In a city spread over a mountain side, with no underground rail system, this handy mode of transport is not only fun, but functional. Accompanied by an informative and entertaining commentary, the Hop-on-Hop-off bus pass offers the best value in Cape Town. Your two day Hop-On-Hop-Off sightseeing bus pass includes your choice of Red City Tour, Yellow Downtown Tour, Blue Mini Peninsula Tour and Purple Wine Tour plus a free harbour cruise and free sunset bus tour. All passes come with two walking tours; the historic city walk and the Bo-Kaap walk.

For a continent not famous for its 'must see' cities, Cape Town is the exception. Similar to all harbour cities, Cape Town has a laid-back atmosphere, great beaches and a harbour with a vibrant waterfront atmosphere. Home to many popular scenic attractions, including the dramatic, flat topped Table Mountain, the nearby Cape Winelands region, which was established by German and French winemakers in the 1700s and Boulders Beach, the location of a penguin colony. Not to mention Cape Point Nature Reserve, located at the tip of the Cape Peninsula and the site of many heroic and treacherous tales of sea. Cape Town is also rich in culture and history. From Robben Island, where Nelson Mandela was incarcerated, the District Six Museum, which details the demise of a successful multiracial community due to apartheid, and the Castle of Good Hope, a bastion fort built by the Dutch East India Company in the 17th century.

The most popular route is the Red Route as described below:

Gain an oversight of the city's multi-cultural and eclectic history. Experience panoramic views of Cape Town's spectacular scenery. The tour stops at prominent museums and inner-city sights before heading to the lower cableway station for Table Mountain. From there the tour travels back down to the beaches, and oceanfront restaurants of Camps Bay and Clifton, before returning to the Victoria and Alfred Waterfront. A comprehensive route map is handed to guests boarding the bus. **The Commodore - standard room (B).**

Day 4: Cape Town

Today you are transferred to Cape Town airport, rail station or car hire CBD depot. **(B)**.
