The Falls Experience - Victoria Falls Hotel

Day 1: Victoria Falls

On arrival at Victoria Falls airport you are met and transferred by shuttle service to your lodge, which is located within easy walking distance of Victoria National Park and town centre.

In the late afternoon you board a sunset dinner cruise on the Zambezi River. Sip on a refreshing cocktail while you watch for hippo, Nile crocodile and elephant, before enjoying a freshly prepared three-course meal. As you drift down the river, watching the incredible orange sunset, you really do feel that you are in Africa. The sunsets here are stunning, with the red soil of nearby Namibia providing deep orange skies. **Victoria Falls Hotel - classic room (D).**

Victoria Falls Hotel

A historic icon built in 1904 to accommodate the first tourists to the Falls, the Victoria Falls Hotel is well renowned for its colonial charm and character, along with its exceptional service. Former guests include the Queen of England, many royal family members, famous actors and several billionaires.

The property's 161 rooms, which were refurbished in 2012, retain its colonial elegance and style, with a club wing, built in the old stables, including a cachet of special treats. The hotel's Edwardian architecture and manicured, tropical grounds depict its grandeur. Enormous portraits of former guests, colonial generals and early explorers, adorn the walls of numerous lounge rooms, bars, sports room and entrance halls. The immense terrace and pool area offers the perfect vantage point for gazing across towards the spray from the falls and it is here that nightly barbeque buffets and cultural evenings are held. Traditional high tea at the hotel is a must, with guests and visitors transported back to an era when travellers arrived with a dozen travel trunks and a range of servants.

As a member of the Leading Hotels of the World, this hotel deserves its reputation as one of Africa's most treasured hotels. A stay at The Victoria Falls Hotel should not be missed.

Day 2: Victoria Falls

After breakfast you join an informative guided tour of Victoria Falls on the Zimbabwe side. Accompanied through the rainforest by a qualified guide you hear a brief history of the falls as well as information on the flora and fauna and other points of interest.

Victoria Falls represents one of the most spectacular natural wonders of the world. The local people call it 'Mosi-oa-Tunya' - the smoke that thunders. There is a magic about the Falls manifested in the towering column of spray when the river is high. Victoria Falls is 1,708 metres wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The Falls and the surrounding area has been declared a national park and a World Heritage Site.

You return to the lodge around 11:00am. There is time in the afternoon to relax or enjoy an optional excursion. This evening at 7.00 pm you are transferred to The Boma Restaurant for dinner. This barbeque style restaurant is a popular award-winning restaurant which includes a selection of traditional foods and a performance by the local Ndebele people, whose song and dance tell the folklore of the region during a colourful and energetic show. **Victoria Falls Hotel - classic room (BD).**

Day 3: Victoria Falls

Today is at leisure to relax or enjoy an optional excursion (additional cost). Victoria Falls has become a mecca for travellers who enjoy the great outdoors. Extreme adventurers can enjoy bungee jumping, zip lining, white water rafting and a swing over an adjacent valley. Culture buffs can join informative visits to a nearby township, rural village or enjoy lunch with a local family.

Sightseeing options include scenic helicopter and micro light flights, which offer incredible views of the Falls. Wildlife can be viewed in 'big five' private game reserves, in the nearby Zambezi National Park or in Botswana's famous Chobe National Park on a full day excursion. **Victoria Falls Hotel - classic room (B).**

Day 4: Victoria Falls airport

After breakfast and check-out you are transferred to Victoria Falls airport for your onward arrangements. **(B).**
