## Day 1: Victoria Falls

On arrival at Victoria Falls airport you are met and transferred by shuttle service to your lodge, which is located within a private game reserve and only a short drive to Victoria Falls town centre.

In the late afternoon you transfer to the river where you board a sunset cruise on the Zambezi River. Enjoy snacks and selected beverages while you watch for hippo, Nile crocodile and elephant. As you drift down the river, watching the incredible orange sunset, you really do feel that you are in Africa. The sunsets here are stunning, with the red soil of nearby Namibia providing deep orange skies. **Stanley & Livingstone - standard suite.**

## Stanley & Livingstone Boutique Hotel

Managed by the 'More' family, who manage several well known and respected game lodges in southern Africa, the recently renovated Stanley & Livingstone is one of our favourite hotels in Victoria Falls. Located on its own private reserve, the communal areas are open and inviting, with a sizeable terrace and landscaped garden affording views to the reserve's waterhole, which attracts a constant flow of wildlife. Meals are a well-priced highlight and twice daily shuttles, upon request, into town enable guests to also dine in town. A swimming pool, bar and fascinating historic collectables offer plenty of distractions.

The hotel's 16 suites capture the charm of a bygone era with all the amenities and facilities of a modern luxury lodge. Their fresh design is an easy-going approach to colonial style, inviting you to make yourself at home. Each has a canopied king-size bed, minibar, slipper bath, walk-in shower, TV lounge and terrace, for morning coffees and private dinners. Located only a few minutes' drive outside of Victoria Falls town, this boutique hotel offers more than a base to enjoy the region due to its relaxing ambience, five star service and wildlife encounters. The hotel provides discerning travellers with a well-priced luxury option. Combination deals with other 'More' managed properties in the Kruger region, Madikwe Game Reserve and Cape Town are available on request.

## Day 2: Victoria Falls

After breakfast you join an informative guided tour of Victoria Falls on the Zimbabwe side. Accompanied through the rainforest by a qualified guide you hear a brief history of the falls as well as information on the flora and fauna and other points of interest.

Victoria Falls represents one of the most spectacular natural wonders of the world. The local people call it 'Mosi-oa-Tunya' - the smoke that thunders. There is a magic about the Falls manifested in the towering column of spray when the river is high. Victoria Falls is 1,708 metres wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The Falls and the surrounding area has been declared a national park and a World Heritage Site.

After the tour you return to your lodge for an afternoon at leisure. Relax by the pool, head into town for some souvenir shopping, or join an optional excursion (additional cost). Options include scenic helicopter flights over the Falls, game drives in nearby national parks and village visits. **Stanley & Livingstone - standard suite (B).**
