This tour can be combined with our Nairobi Explorer or Nairobi Experience packages. Discover Nairobi's extraordinary elephant and giraffe experiences, historical sites and culinary delights. Visit an elephant and rhino orphanage, a giraffe centre, the colonial homestead of Karen Blixen - author of 'Out of Africa', or feast on Africa's finest fare at a popular restaurant.

If you would like to stay in Kenya longer, please refer to our Classic Kenya tour (7 days) or our Cultural Kenya tour (8 days).

A Yellow Fever Vaccination Certificate is a compulsory requirement for some countries in eastern and central Africa. We strongly advise you seek advice from a travel doctor regarding inoculations.

## Through the Rift Valley

### Day 1: Masai Mara National Reserve

After a pre-tour meeting at 7.00 am at the Serena Hotel Nairobi, you depart Nairobi at 7:30am and travel towards Kenya's fertile highlands. You will head down the rift escarpment on the road built by Italian prisoners of war during World War II. On the way spot the charming chapel built at the foot of the escarpment. Pass the impressive Longonot Earth satellite station as you head across the valley to Narok. Continue across acres of wheat and barely, before reaching the Masai Mara in time for lunch.

The Masai Mara National Reserve, although not the largest game park in Kenya, is one of the most spectacular and popular. Rich in game, the rolling grasslands and acacia savannah have frequently been captured on film, with 'Out of Africa' being the most famous. The reserve borders Tanzania and the two countries share the vast Serengeti plains, with wildlife free to roam between Kenya and Tanzania in search of food. The concentration of game in the Mara during the mass migration is mind blowing, and this is one of the few areas where you are likely to see all of the 'big five' - buffalo, elephant, rhino, lion and leopard. In fact lions are very common and you are quite likely to see them feeding on a kill during your visit. Other animals include cheetah, zebra, spotted hyena, black backed jackal, hippo, giraffe, eland and of course wildebeest. The Mara-Serengeti ecosystem is famous for the annual migration of over one million wildebeest and thousands of zebra and gazelles. The incredible spectacle of them crossing the Mara river into Kenya generally happens in late July or August. Thousands of animals die in this dramatic crossing and predators and crocodiles are winners. In October the animals return again to Tanzania. Following lunch set off on your first game drive mid-afternoon. Return to the lodge at sunset. **Mara Serena Lodge (LD).**

### Mara Serena Lodge

Located at the very centre of the famous 'Mara Triangle' of the world-renowned Masai Mara National Reserve, the Mara Serena Safari Lodge is the ultimate safari destination. Set high on a bush-cloaked hill with long views over the savannah and down to the winding coils of the hippo-filled Mara River, it stands centre-stage to one of Africa's most dramatic wildlife arenas, with a ringside seat for the greatest wildlife show on earth, the legendary migration of the wildebeest. Styled to echo the circular motif of a traditional Maasai manyatta, the lodge blends international sophistication with raw African beauty, while featuring twin rows of individual rooms, each with its own view of the famous Mara River.

### Day 2: Masai Mara National Reserve

Depart on a morning game drive followed by a 'bush breakfast' by a nearby hippo pool. Your lodge's chefs and Maasai staff welcome you to a breakfast buffet of cold cut meats, fruits, cereals and hot dishes with eggs made to your specifications as you wait. The curious hippos pop their heads up from the pools on a regular basis adding to your adventure. After lunch set off on your afternoon game drive. This afternoon you also visit a Maasai village, where you have an opportunity to interact with these fascinating people. Possibly East Africa's most easily recognised community, the Maasai occupy a total land area of 160,000 square kilometres with a population of approximately half a million. They are traditionally nomadic farmers, but in recent times have opened their villages to travellers who are interested in learning about their culture, traditions and craft.

*It is possible to pre-book an optional early morning balloon safari at an additional cost. A hot air ballooning safari will replace your regular morning game drive. Balloon safaris are a once in a lifetime experience and include a superb champagne bush breakfast dining experience after your flight. This flight replaces the morning safari which is included in your itinerary.* **Mara Serena Lodge (BLD).**

**Lake Elementaita Serena Camp**

### Day 3: Lake Nakuru and Lake Elementaita

Leaving the Masai Mara after breakfast, travel across the 'breadbasket' of Kenya, where acres of wheat and barley litter the landscape as you head north to Narok, the district headquarters of this part of Maasailand. Now travel across the vast plains on the floor of the Rift Valley, keeping an eye out for herds of giraffe and gazelle as you head up the Mai-Mahiu, before arriving at your lodge on Lake Elementaita for a picnic lunch. Following lunch you take a short drive to Lake Nakuru for an afternoon of game driving. The national park, known for its birdlife, offers the possibility of viewing flamingos en masse. It is also home to black and white rhino and the endangered Rothschild giraffe. After your game drive you return to your lodge for dinner. Lake Elementaita Serena Camp is a stunning camp, located directly on Lake Elementaita. **Lake Elementaita Serena Camp (BLD).**

### Lake Elementaita Serena Camp

This luxury camp is located on the Soysambu Conservancy, right on the shores of Lake Elementaita. Offering a blend of exclusivity and adventure, this camp comprises of 25 luxury tents, a dining and lounge area, spa and swimming pool. Each tent has a private veranda with magnificent views of the vast lake. Soysambu Conservancy is a wildlife sanctuary that boasts a broad range of wildlife and bird species. The conservancy is home to the Rothschild giraffe and is east Africa's only breeding ground for the great white pelican. Serena Lake Elementaita is good base for those travelers visiting the popular lake national parks of Nakuru and Naivasha. The extensive views of the surrounding plains and Lake Elementaita offer wildlife viewing directly from its rooms and terraces.

### Day 4: Nairobi

Following breakfast enjoy a guided bird walk at the lake before you head south, arriving in Kenya's bustling capital city of Nairobi at around midday. Once in the city you will be dropped at the InterContinental Hotel Nairobi. *Onward flights should not be booked to depart before 3:30 pm. (B).*

### Important Information

- No flights are included in this itinerary.
