Kenya Combo Deal - 3 days Nairobi to Nairobi

Day 1: Masai Mara National Reserve

Meet your transfer driver at JKI airport or your city hotel and transfer to the Masai Mara for a lunchtime arrival. This drive usually takes around five to six hours with some time spent in the reserve itself.

Join your group for an afternoon game drive, which provides us with our first insight into this exceptional reserve. We game drive in the reserve, extending our stay into the late afternoon when predators and the reserve's Masai lion prides are most active. **Sarova Mara Game Camp (LD).**

Sarova Mara Game Camp

Located in the centre of the annual migration path, Sarova Mara Game Camp offers guests the opportunity to view abundant wildlife year round. Its surrounding plains are literally teeming with grazing animals at the peak of the migration. A range of standard tents, club rooms and family tents, in a light beige with large feature windows and ensuite bathrooms, are both spacious and comfortable.

This resort style game camp has a number of activities to choose from including fishing, bird watching, spa treatments and an adjoining Masai village, where many of its staff are members of the community. Balloon safaris (own expense), an extensive swimming pool, buffet style restaurant and numerous lounge areas make a stay at Sarova Mara Game Camp both fascinating and relaxing.

Day 2: Masai Mara National Reserve

Our day is spent on morning and afternoon game drives or a full day game drive with a picnic lunch. Famed as one of the top game parks in the world, the Masai Mara Game Reserve is a highlight of any visit to Kenya. Undulating pastures, rocky outcrops and cloud-covered savannahs attract the 'big five', along with high volumes of grazing animals. Game viewing in the Mara can involve lively encounters due to the large amount of predators living within the park and its surrounding conservancies. Animals wander the reserve freely as this land is farmed by the Masaai.

Lions hunt en masse, with sightings of large prides commonplace. Leopard, cheetah, rhino, elephant and hippo amongst other mammals and birds, which inhabit the region throughout the year, whilst upwards of two million zebra and wildebeest call the Mara home between July and October during the great migration. The Mara and Talek rivers form dangerous crossing points as the migration turns north to enter the Masai Mara from its southern neighbour; the Serengeti National Park in Tanzania. Time spent in the reserve, or its neighbouring conservancies, offers great game viewing, cultural experiences and an insight into the importance of reserves in conserving Africa's wildlife. Should you be short on time or wish to combine work commitments or a beach break with your game viewing this safari is guaranteed to impress. **Sarova Mara Game Camp (BLD).**

Day 3: Nairobi

After breakfast at the camp, you are transferred to Nairobi, via Mai Mahui connection point, to be dropped at your Nairobi CBD hotel (own expense) or Jomo Kenyatta International Airport for your onward flight (flight not included). **(B).**
